

Additional News From the Church

Name Tags

In an effort to help Pastor Amy and her husband, Bill, we would like to encourage you to wear your name tags. Since it has been over two years since some of us have seen each other—as we return to church it would probably be helpful to wear our name tags to help us remember those names we have forgotten. If you don't have a name tag, feel free to complete a Name Tag that can be found in the Narthex. There is no cost to you for the name tags and they really do create a feeling of warmth and welcome. If you have lost or misplaced your name tag, a new one can be made for you. If you have any questions, please contact Bert Longbotham.

Parsonage News

We were very thankful to Doug and Sherri when they moved out of the parsonage as they left it in great condition. We had a week or so after they moved out and before Pastor Amy and Bill moved in so we could do a few repairs to the walls, install all new LED light bulbs and paint the front porch.

We hope that Pastor Amy and Bill have many happy years in their new home.

Trees Removed

The Fix-its recently removed four pine trees that were behind the chicken coup near the parsonage. The trees were not doing well and many of the branches were dead or dying. The area that they occupied will help with the LAF as we might be able to use it for an additional tent or two.

Memorial Bricks

We continue to have bricks available to be engraved to honor or memorialize a friend or family member. Please contact Bert Longbotham if you would like more information about the Memorial Brick Program. We had six requests to have Memorial bricks engraved but with COVID the memorial company was way too busy to get to us. The work was recently completed and we have new memorial bricks for: Elsie K. Novotny, Hank and Jean Coghill (celebrating their membership with us since 1959), Lewis Bradbury Geene, Barbara Jean Geene, Don Washburn and Gilbert "Gil" Smith.

Our preschool teachers hope all of our past and future students are having a fun and exciting summer! We will be gearing up in the next few months to get ready for our fall classes to start. We are continuing to add students so if you or someone you know is looking for a preschool in the fall please contact us at bhumpreschool@gmail.com or find us on Facebook/our website .

Caregiver Support Group

Are you the caregiver for a family member or friend? Do you know of someone who is having difficulties with caregiving? It helps to talk to others who are going through the same experiences. This group is open to both church members and non-church members.

Our next Caregiver Support Group meeting will be Saturday, August 6th. We will be meeting outside under the tent in the courtyard at 10:30 am. Bring a lawn chair. If it is raining, we will meet in Knight Hall.

The caregivers who attend this support group are in all stages of caregiving from just taking care of a loved one in their own apartment or house to those dealing with hospice in nursing homes. Lynn Christie is the facilitator and can be reached at 399-8838 or hlchristie@aol.com for any questions.
