Shine Your Light! — Week 6: “Get Up and Don’t Be Afraid ”

Prelude *O Morning Star, How Fair and Bright* Nicolai

Words of Welcome

***Call to Worship**

Fear and anxiety can hinder us from leading the lives we wish to live.

We can’t always control these human feelings.

May we have compassion for one another especially during tough times,

and extend support and kindness at *all times*

Motivating God,

we give you thanks for the courage to live boldly into your promises.

Open our eyes to the light of possibilities,

even when the day ahead holds difficulties.

***Hymn** *We Have Come at Christ’s Own Bidding* TFWS #2103

Congregational Prayer

Illuminating God,

we sometimes struggle to see the path you have set before us.

There are times when our faith feels rootless,

when our spiritual ancestors feel so far away

and we question our connections to your great cloud of witnesses.

At times, life is so frightening,

the way forward seems unclear,

and fear can make us feel small and doubtful.

Help us to boldly carry out your commands to love one another

without hesitation

and to live each day with courage and grace.

May we see your face revealed to us wherever we go,

as we seek to be a light for others. Amen.
